- Financing
- Best organization
- Efficiency, quality

Technical cooperation 2009 Implementation

- Caribbean: Laboratory, analysis
- Dominican Republic, veterinary products
- Possible project: USA....CAFTA/DR/USA,
Chilean cooperationexport System in
SPS

At the end

- Chile is a developing country
- Perhaps some STDF projects in Chile, could be replied in other countries of the region
- ¿why not? , ..good decision, ..good investment
- Think about that!

Thank you
